### **What's your mission in life?**

*God Nuggets, Issue 7*

**Biblical spirituality is not so much an age-defying spirituality as an age-affirming spirituality.** Whatever age, stage, or state we're in, therewith to be content. Therewith to be on a mission.

I am a Boomer. **I divide a Boomer life into three stages**, each roughly comprising thirty years.

The question of the **first** stage is  
**"Where do you go to school?"**

The question of the **second** stage is  
**"What do you do for a living?"**

The question of the **third** and last stage is  
**"What difference are you making for God?"**

Although all three questions are really asked in each stage, the question that ties all of them together into one question is this:

***"What's your mission in life?"***
